

STANDARD ARCHITECTS

STANDARD ARCHITECTS IS A BROOKLYN BASED FIRM ESTABLISHED IN 1996.

STANDARD'S WORK EXPLORES PROGRAMMATIC, SPATIAL, AND PHYSICAL CONSTRUCTS THROUGH A DIALOGUE WITH OWNERS, CONSULTANTS, BUILDERS, AND CRAFTSPEOPLE. INFORMED BY THIS COLLABORATIVE APPROACH, EACH PROJECT DEVELOPS WITH A SPECIFIC VISION GROUNDED IN AN INDIVIDUAL CONTEXT.

THROUGH THE INNOVATIVE USE AND COMBINATION OF MATERIALS, AND A TECHNICAL UNDERSTANDING OF BUILDING METHODS, STANDARD IS COMMITTED TO A REINTERPRETATION OF THE BUILT ENVIRONMENT.

STANDARD ARCHITECTS CAN PROVIDE COMPLETE PROGRAMMING, DESIGN, AND CONSTRUCTION ADMINISTRATION FOR BOTH NEW CONSTRUCTION AND RENOVATION PROJECTS.
